Debt of United States

No woman's happiness can be complete without children; it is her nature to love and want them as much so as it is to love the beautiful and pure. The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and dauger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This the coming event that it is safely passed without any danger. This

the coming event that it is great and wonderful remedy is always applied externally and has carried thousands of women through the trying crisis without suffering.
Send for free book containing information
of priceless value to all expectant mothers.
